

Lenten Prayer Gallery

My goal was to try and create a visually meditative experience in the Prayer Room of our church. Elements included:

West Wall

16x20 inch Face of Jonah surrounded by images that illustrate the four chapters of the book

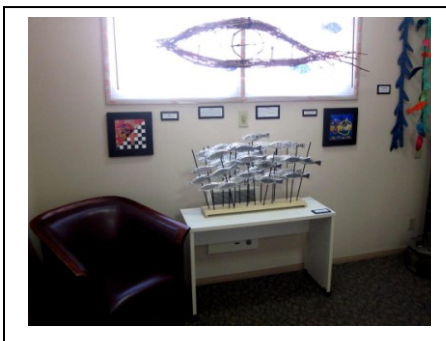

East Wall

Twenty-four 6x6 inch squares with twelve questions interspersed by images of the vine and the worm

North Wall

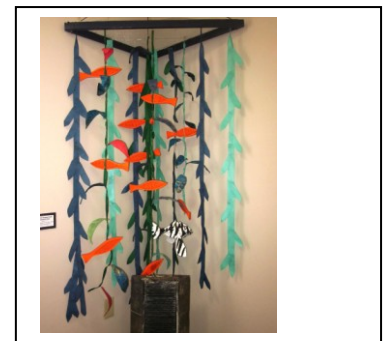

Half of the book takes place on the sea so I created a Sea Wall.

Foil Fish made of cardboard, toilet paper roles and foil tape

Sea Weed forest made of rice paper, string and cardboard

South Wall
